Technische Universität Berlin offers an open position:

**Research Assistant - 0.5 working-time - salary grade E13 TV-L Berliner Hochschulen**

under the reserve that funds are granted

Faculty VI - Institute of Landscape Architecture and Environmental Planning / Environmental Assessment & Planning

**Reference number:** VI-425/21 (starting at the earliest possible / limited until 28/02/2023 / closing date for applications 28/09/21)

**Working field:** Subject to approval by the Deutsche Bundesstiftung Umwelt, a position is being advertised to work on a research project in the field of wind energy, species protection and spatial planning at the Environmental Assessment and Planning Research Group at TU Berlin. The tasks to be performed are mainly GIS-based modeling of habitat use of certain bird species in Germany as well as the analysis and comparison of different approaches to the designation of focal areas in spatial planning. For this purpose, a literature and document search and analysis must be carried out, geodata must be acquired, and a corresponding model must be developed in a GIS. The work includes the presentation and documentation of the work, if necessary, also in scientific publications and at conferences as well as the cooperation with other project partners.

**Requirements:**
- Successfully completed university degree (Master, Diplom or equivalent) in environmental or landscape planning, urban and regional planning, or a related field
- Experience in working with GIS
- Very good knowledge of German and English (both written and spoken).
- Interest in working on scientific issues in a team

**Desirable Requirements:**
- Sound knowledge of one or more of the following topics: renewable energies, explicitly wind energy and environmental planning/assessments
- Experience in the acquisition of geodata in Germany

Please send your application **with the reference number** and the usual documents **only by email** to Prof. Dr. Johann Köppel (johann.koeppel@tu-berlin.de).

By submitting your application via email you consent to having your data electronically processed and saved. Please note that we do not provide a guaranty for the protection of your personal data when submitted as unprotected file. Please find our data protection notice acc. DSGVO (General Data Protection Regulation) at the TU staff department homepage: https://www.abt2-t.tu-berlin.de/menue/themen_a_z/datenschutzerklaerung/ or quick access 214041.

To ensure equal opportunities between women and men, applications by women with the required qualifications are explicitly desired. Qualified individuals with disabilities will be favored. The TU Berlin values the diversity of its members and is committed to the goals of equal opportunities.

Technische Universität Berlin - Der Präsident - Fakultät VI, Institut für Landschaftsarchitektur und Umweltplanung, FG Umweltprüfung und Umweltplanung, Prof. Dr. Köppel, Sekr. EB 5, Straße des 17. Juni 145, 10623 Berlin
